Separate Coats Wanted.

We can show you one of the strongest lines of LADIES' AND MISSES' JACKETS, bristling with value. New designs added to our stock each day. Our method of keeping in close touch with the market gives us the new things as soon as the style is sure of success.

This cut will give you a hint as to one of our newest jackets, which is a beauty, coming as it does in black, castor and tan, with some contrasting color to set it off.

The Military Coats, of all kinds, are meeting with great favor all over the country. This is not surprising, as they are very becoming to young ladies, and the materials for the Coat are Keston, Zibeline and Broadcloth. Black, brown, blue and the various shades of tan are the most desirable colors. An inspection of these garments is sure to win a friend to the line.

Furs! Furs! Furs!

We have sold more FURS in the last week than in any two weeks in the history of the store. The reason is, we have got one of the largest and best lines to be found in the state, and the prices are right.

Equal Distribution of Space!

Now Listen to This!

A perfect Shoe should contain not a single particle of space more than necessary, otherwise the Shoe becomes large and ungainly. The Dorothy Dodd Shoe leaves more space for the foot than any other Shoe we know of, yet the Shoe itself is absolutely smaller than the ordinary Shoe. That is because it equally distributes space.
